January 2022

As we step into 2022, I want to take this opportunity to thank and recognize all of our Shumaker Alumni for your accomplishments and achievements last year. The firm was blessed with an outstanding year and we are grateful for all who made that possible. I am extremely thankful for the leadership and support of our alumni who have overcome a difficult year, leaned on one another in a time of great uncertainty, and continued to inspire resilience in all of us.

As we close 2021 and prepare to celebrate the hope and promise of a new year, I wish you and yours a happy, healthy, and prosperous 2022!
