Reinaldo is an attorney in the firm's Corporate, Tax, & Transactions Service Line, where he advises clients on all aspects of mergers and acquisitions, financing, and securities transactions. He works with individuals and businesses of all sizes, providing practical and strategic counsel tailored to each client's goals. Reinaldo represents clients across a wide range of industries, including construction, technology, and professional services, as well as highly regulated sectors such as health care and insurance. His experience allows him to navigate complex business and regulatory environments with precision and efficiency.

Beyond his practice, Reinaldo is actively involved in the business and legal community. He is a member of the Business Law Section of The Florida Bar, the Tampa Bay Chapter of the Association for Corporate Growth, and the Tampa Bay Chamber of Commerce. When he's not working with clients or contributing to his community, he looks forward to spending time with his wife and wrangling his ill-behaved labradoodle.
