

Nickolas F. Lowe

VICE PRESIDENT

As Vice President of Shumaker Advisors, Nick drives impactful public policy and business development initiatives and focuses on providing strategic guidance to clients, building robust public-private partnerships, and navigating the intricacies of legislative advocacy. He draws on his deep expertise in program development and project management to help clients achieve their goals.

Nick's proven track record of delivering innovative solutions across diverse industries includes statewide leadership with the Florida Restaurant and Lodging Association and his national-level experience at Mercury Public Affairs. He is known for his ability to cultivate and maintain meaningful relationships and partnerships to create opportunities that drive revenue and growth.
