VCard

Mariam is a Staff Accountant serving Shumaker Advisors' Ohio, Florida, and Washington, D.C. offices. In this role, she supports key financial operations through detailed reporting, account reconciliations, and journal entry preparation. She coordinates multi-entity accounting and assists with month-end closing activities, maintaining accurate records across all locations.

With a commitment to continue learning and improving her skills, Mariam is constantly working to expand her expertise in financial systems, data analysis, and process improvement. She is consistently recognized for her professionalism and strong attention to detail. Mariam also has experience in the legal industry and previously worked as a Senior Accountant at a California law firm in the treasury area.

Born and raised in Egypt, Mariam earned her B.A. in Accounting at Cairo University and moved to the U.S. 14 years ago. She loves to spend time with her two children, go to the beach, travel, cook, and volunteer at her church.
