LinkedIn VCard

Mark is a member of Shumaker's Litigation & Disputes and Technology, Data Privacy, Cybersecurity & AI Service Lines. He has a broad practice that includes civil litigation, information technology (IT) disputes, and commercial disputes, as well as general IT matters, leveraging deep technological acumen and strong dispute resolution skills.

A Certified Information Privacy Professional (CIPP/US), Mark brings nearly a decade of practical experience to his IT practice, where he advises on matters such as data privacy, data management, and cybersecurity. Clients appreciate his detail-oriented and business-focused approach to this highly regulated and constantly evolving area of law, utilizing his prior work experience in the private sector to find solutions to their most pressing legal concerns.
