Angela is a considerate, detailed, and highly efficient paralegal who focuses her practice on trust and estate administration matters. She was inspired to pursue a career in this area of law after a personal experience with trust litigation made her want to help others navigate this often-stressful process as smoothly as possible.

Prior to joining Shumaker, Angela worked for over five years in trust and estate administration at other Sarasota-area law firms. She holds a degree in Music Education from the University of South Florida and a degree in Paralegal Studies from the State College of Florida.

Outside of the office, Angela enjoys spending time with her two daughters, traveling, camping, and watching live music.
