People turn to Laura for trusted counsel related to franchise mergers and acquisitions (M&A) and real estate. With over 15 years of experience, Laura serves businesses, individuals, governmental, and quasi-governmental entities.

In her practice, Laura guides clients through business transitions with practical yet precise counsel designed to help them complete transactions while minimizing risk. Whether the task is acquisition or disposition of real property, leasing, or asset transfers, she combines business and real estate acumen to help clients reach the desired result.

Laura earned both her J.D. and MBA from the University of Akron and her B.A. from Oberlin College. Outside of the office, she enjoys fostering dogs looking for their forever home.
