P: 813.221.7153

LinkedIn VCard

Meredith brings a deep understanding of the complex business issues facing her clients. Practicing primarily as a health care business lawyer, she provides value to her clients through her responsive and creative solutions.

Meredith assists clients on various health and business law issues, including:

- Federal and state privacy laws
- Health Insurance Portability and Accountability Act (HIPAA)
- Corporate law
- Compliance programs
- Governance
- Clinical trials research process

Meredith enjoys spending time with her husband and two children, traveling, and watching Gator football.
