VCard

Doug has a broad range of experience in environmental and administrative law, including environmental compliance, litigation, consultation, and civil and criminal enforcement matters. He has unique experience in addressing the Resource Conservation and Recovery Act (RCRA) and state hazardous and solid waste issues, as well as Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA) cleanups ,which gives him valuable perspective on regulatory complexities.

Outside the environmental arena, Doug handles a wide range of business-related civil litigation, regulatory, and administrative practice matters, including licensing, permitting, enforcement and related investigation, administrative rulemaking, and mediation.

Additionally, Doug has extensive experience advising clients in:

- Federal environmental laws and regulations, including the Clean Air Act, the Clean Water Act, the Toxic Substances Control Act (TSCA), the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), and the Emergency Planning and the Community Right-to-Know Act (EPCRA)
- Assembling multi-party joint initiatives to construct multi-million dollar remedial construction projects, creating legal entities to oversee the long-term operation and maintenance of constructed remedial facilities, and group cost recovery
