VCard

A civil litigator whose practice is focused on commercial litigation, construction litigation, zoning, land use, and local government law, Chris has wide-ranging experience in the areas of eminent domain, zoning appeals, municipal code enforcement defense, pollutant discharge litigation, Florida Sunshine Law, and vacating public rights-of-way. He has also served as an advisor and counselor for numerous land development matters, including project feasibility analysis, development strategies, and permitting. Chris is a former Assistant County Attorney for Pasco County, Florida, where he handled public works projects, infrastructure development, procurement and bidding, construction programming, claims management, and water resource and environmental permitting. He also represented Pasco County on the Legal Advisory Committee of Tampa Bay Water, the regional utility for more than three million customers.

Prior to obtaining his law degree, Chris was a project management engineer with the Lee County Department of Transportation in Fort Myers, Florida, managing field construction and inspection for various projects, including roadways, underground utilities, pedestrian and bicycle facilities, drainage improvements, and pavement management and resurfacing operations. His technical understanding of projects and construction, combined with
