Tampa attorney Jessica S. Zelitt recently published an article in the *American Journal of Trial Advocacy* entitled "Florida HB 837: A Political Stunt or Legitimate Civil Justice Reform?." The article discusses a comprehensive tort reform bill, HB 837: Civil Remedies, which was passed by the legislature and signed by Governor DeSantis on March 24, 2023. Although not receiving as much publicity as some of the other new enactments, HB 837 made waves in the Florida legal community.
