Aerin T. West Continues his Journey with Shumaker; Joins the Firm's Transactional Service Lines

TOLEDO, OH – The national law firm Shumaker is pleased to announce the addition of Aerin T. West as an associate in its transactional service lines – Corporate, Tax and Transactions; Labor and Employment; and Real Estate and Development.

Aerin's journey with Shumaker began as a Summer Associate, a role he embraced for two consecutive years. During this time, he had the opportunity to immerse himself in various legal areas, gaining comprehensive exposure to the complexities of transactional law. His tenure as a Summer Associate allowed him to build strong relationships with professionals throughout the firm, paving the way for his seamless transition to a full-time position.

"We are thrilled to welcome Aerin to our transactional service lines," said Sharon Fulop, Shumaker's Toledo Managing Partner. "His commitment and enthusiasm have been evident since his time as a Summer Associate, and we are confident that his contributions will further strengthen our team's capabilities."

Compassionate and meticulous in his work, Aerin's varied experience across multiple areas of the law and in athletics makes him a well-rounded and knowledgeable attorney.

Aerin is a graduate of The University of Toledo College of Law. Prior to joining the firm, he interned with the Lucas County Common Pleas Court, where he gained invaluable hands-on experience with professionals who demonstrated the importance of a humanitarian approach to the legal profession.

Shumaker's transactional service lines continue to expand and evolve, offering clients unparalleled counsel in mergers and acquisitions, commercial transactions, real estate, and more.
