Super Lawyers is an annual listing of outstanding lawyers from more than 70 practice areas who have attained a high degree of peer recognition and professional achievement.

The selections for this esteemed list are made by the research team at *Super Lawyers*, a Thomson Reuters

business. Each year, the research team at *Super Lawyers* undertakes a rigorous multi-phased process that includes a statewide survey of lawyers, independent research evaluation of candidates, and peer reviews by practice area. Only 5% of Ohio attorneys have been selected for inclusion in *Super Lawyers*.

The Rising Stars selection process is identical to the *Super Lawyers* process, with one exception: to be eligible, a candidate must be either age 40 years old or younger, or in practice for 10 years or less. Only 2.5% of Ohio attorneys are selected for the Rising Stars list.

Super Lawyers was first published in 1991 by *Law & Politics* and was acquired by Thomson Reuters, Legal in February 2010. Thomson Reuters is the world's leading source of intelligent information for businesses and professionals. *Super Lawyers* can be found online where lawyers can be searched by practice area and location.
