Nickolas F. Lowe Joins Shumaker Advisors as Vice President to Drive Strategic Public Policy and Business Development Initiatives

TALLAHASSEE, FL – Shumaker Advisors, a leading government affairs and public policy firm affiliated with Shumaker, one of Florida's top 25 law firms, is pleased to announce that Nickolas "Nick" F. Lowe has joined the team as Vice President. In this role, Nick will focus on providing strategic guidance to clients, fostering public-private partnerships, and leading legislative advocacy efforts to help clients achieve their business and policy objectives.

A highly detail-oriented and strategic professional, Nick brings a wealth of experience in program development, project management, and innovative problem-solving across diverse industries. His proven leadership spans both state and national levels, including roles with the Florida Restaurant and Lodging Association and Mercury Public Affairs, where he successfully navigated complex challenges to deliver measurable results.

"As we navigate a rapidly changing political and business landscape, having experienced professionals like Nick on our team is crucial," said Ron Christaldi, President and CEO of Shumaker Advisors Florida. "Nick's strategic expertise and proven ability to deliver results will be invaluable to our clients as they face new challenges and pursue ambitious goals."

Nick is well known for cultivating and maintaining meaningful relationships and partnerships that drive revenue and growth. His extensive network and talent for building bridges will help expand Shumaker Advisors' reach and influence, further solidifying the firm's reputation for delivering unmatched value to clients.

“I am excited to join Shumaker Advisors and contribute to the team’s commitment to advancing impactful public policy and business development initiatives,” said Nick. “I look forward to helping clients navigate challenges, identify opportunities, and achieve their goals efficiently and effectively.”

As Vice President, Nick will play a key role in enhancing Shumaker Advisors’ ability to deliver innovative solutions while continuing to strengthen the firm’s presence across Florida and beyond.

“Nick’s exceptional ability to connect people, ideas, and opportunities makes him a tremendous asset to Shumaker Advisors and our clients,” said Alan Suskey, Shumaker Advisors Executive Vice President and Principal State Practice. “His experience and strategic mindset align seamlessly with our mission to provide impactful solutions and advocacy.”
