SARASOTA, FL— Shumaker Associate Ryan M. Guerin, a member of the firm's Labor & Employment Service Line, has been appointed to the Board of Directors of the Bradenton Area Economic Development Corporation (EDC). In this leadership role, Ryan will help guide strategic initiatives that promote business growth, workforce development, and economic opportunity throughout the Bradenton region.

As a trusted legal advisor to businesses across a wide range of industries, Ryan brings valuable insight into the legal and operational challenges facing local employers. His practice focuses on labor and employment law, as well as complex commercial litigation, with a particular emphasis on helping companies navigate evolving legal standards and implement best employment practices.

"Ryan's appointment to the Bradenton EDC Board reflects both his professional acumen and his commitment to our region," said Jan Pitchford, Shumaker Sarasota Managing Partner. "His legal perspective and community-minded approach will be an asset to the EDC's mission."

A graduate of the Leadership Manatee Class of 2024, Ryan is deeply engaged in the local community and dedicated to supporting initiatives that enhance the region's business climate and quality of life.
