The annual selections are made using a patented multiphase process that includes a statewide survey of lawyers, an independent research evaluation of candidates, and peer reviews by practice area. The result is a credible, comprehensive, and diverse listing of exceptional attorneys.

Each year, no more than five percent of the lawyers in the state are selected by the research team at *Super Lawyers*® to receive this honor.

The Rising Stars selection process is identical to the *Super Lawyers*® process, with one exception: to be eligible, a candidate must be either age 40 years old or younger or in practice for 10 years or less. Only 2.5 percent of Florida attorneys are selected for the Rising Stars list.

*Super Lawyers*® can be found [online](#), where lawyers can be searched by practice area and location.
