TOLEDO, OH — Isabel M. Remer has joined Shumaker as an associate in its Litigation & Disputes Service Line, further strengthening the team's ability to guide clients through complex disputes at every stage of litigation.

A dedicated client advocate, Isabel works with clients to understand their objectives, assess risk, and develop practical strategies aimed at securing favorable outcomes. Her thoughtful, solutions-oriented approach helps clients navigate litigation efficiently and with confidence.

"Isabel's federal clerkship experience brings valuable insight into the judicial process and a practical approach to resolving disputes," said Matt Kemp, Partner and Litigation & Disputes Service Line Lead. "Her understanding of the judicial process, strong legal research and writing skills, and practical mindset position her to make an immediate contribution to our litigation practice."

Prior to joining Shumaker, Isabel served as a judicial clerk to the Honorable James R. Knepp II of the U.S. District Court for the Northern District of Ohio. In that role, she gained valuable insight into federal court procedures, judicial decision-making, and effective advocacy—experience she now brings to her litigation practice.

Isabel earned her J.D. from The University of Toledo College of Law, where she served as Technical Editor of *The University of Toledo Law Review* and graduated Order of the Coif.
