Julio C. Esquivel Served as Panelist at West Coast District Global Commercial Real Estate Symposium

TAMPA, FL – The law firm of Shumaker, Loop & Kendrick, LLP is pleased to announce that Tampa partner Julio C. Esquivel served on the panel, “*A Real Transaction; 500 Harbour Island*” at the West Coast District Global Commercial Real Estate Symposium. The panel discussion focused on financing a commercial real estate development with EB-5 funds from foreign investors. Sponsored by the Florida Certified Commercial Member Chapter (CCIM), the symposium focused on educating and broadening the horizons of international real estate for commercial purposes.

Julio serves as a trusted advisor to companies seeking a pragmatic, solutions-oriented approach to business law matters. Clients value his depth of knowledge and unfaltering commitment to their business goals.

Having been in private practice now for more than 20 years, Julio has vast experience representing buyers and sellers in M&A transactions. He has represented buyers and sellers in a wide range of industries, from pharmaceutical distributors to international manufacturing companies, as well as trucking companies, software firms and service providers (such as engineers). While he prides himself in handling complex transactions and has represented strategic and financial buyers, he especially finds it gratifying to work on sell-side engagements for entrepreneurs that have poured their heart and energy into building up their companies from the ground up, many of whom have never experienced an M&A transaction. While Julio has been involved with small company sales, he has also handled sophisticated and international transactions in excess of \$500 million Dollars.
