Wendy M. Byrne
wbyrne@shumaker.com

We are pleased to announce the Shumaker Alumni Network.

We value our people – past and present – who have contributed to our success!

The goals of the Shumaker Alumni program are to:

- Build an alumni community by establishing a database and providing mediums for meaningful interaction
- Expand existing alumni relationships into referral and client relationships
- Develop new professional development opportunities with and for alumni
- Communicate Shumaker news

If you are a Shumaker alum, please write to us at alumni@shumaker.com to be included in the network!
