JAG Corps Bankruptcy Training

Steven M. Berman, partner in the Tampa office, participated in a bankruptcy training session with JAG Corps lawyers at Naval Base Coronado, which includes San Diego and Coronado, California. Mr. Berman was invited by Commanding Officer Captain Yancy B. Lindsey, U.S.N., to train the JAG attorneys in basic bankruptcy and consumer finance matters so they will be better able to assist the enlisted personnel and officers at the various Naval bases in and around the San Diego area with bankruptcy and other consumer issues they may encounter. Mr. Berman's first training session took place August 31st and will be ongoing with the JAG lawyers. Mr. Berman anticipates establishing a formalized bankruptcy intake program for service personnel with bankruptcy/insolvency needs.
