TAMPA, FL – The law firm of Shumaker, Loop & Kendrick, LLP is pleased to announce that Jaide L. Beverly, an associate with the firm’s Health Care group in Tampa, has been selected to participate in the Tampa Connection Class of 2020.

Established in 1985, the mission of the Tampa Connection is to provide local business professionals with the necessary tools to become active leaders and volunteers in the Tampa Bay Community. Each year, a select group of applicants are chosen to participate in the Tampa Connection “class.” The year-long program exposes class members to leadership development and community involvement opportunities while immersing them in the local community.

Monthly programs provide class members with in-depth exposure to Tampa Bay’s history and culture, and opportunities to build meaningful, long-lasting professional relationships. Additionally, class members are teamed with hand-selected local nonprofit organizations to plan and implement projects that fulfill a specific agency need, which provides an opportunity to directly impact the local community in a positive way.

At the core of Tampa Connection’s mission and the class experience are three foundational principles: leadership, relationships, and community.

Jaide focuses her practice on the representation of a variety of health care clients, including hospitals, academic medical centers, and physicians, with respect to their regulatory, compliance, transactional, contractual and business needs.

Founded in 1925, Shumaker, Loop & Kendrick, LLP is a full-service law firm with more than 260 lawyers and seven offices in Toledo and Columbus, Ohio; Tampa and Sarasota, Florida; Charlotte, North Carolina; Charleston, South Carolina; and Bloomfield Hills, Michigan.
