Super Lawyers, a Thomson Reuters business, is a rating service of outstanding lawyers from more than 70 practice areas who have attained a high degree of peer recognition and professional achievement. The annual selections are made using a patented multiphase process that includes a statewide survey of lawyers, an independent research evaluation of candidates and peer reviews by practice area. The result is a credible, comprehensive and diverse listing of exceptional attorneys.

Each year, no more than 5% of the lawyers in the state are selected by the research team at *Super Lawyers* to receive this honor.

The Rising Stars selection process is identical to the *Super Lawyers* process, with one exception: to be eligible, a candidate must be either age 40 years old or younger, or in practice for 10 years or less. Only 2.5% of North Carolina attorneys are selected for the Rising Stars list.

Super Lawyers can be found [online](#) where lawyers can be searched by practice area and location.
