CHARLOTTE, NC – To the pleasure of all the colleagues who nominated her, Shumaker Health Care and Litigation Associate, Timaura E. Barfield, has been selected as one of the *Charlotte Business Journal's* (CBJ) 2020 "40 Under 40."

This signature awards program, now in its 27th year, turns a spotlight on 40 professionals — all under the age of 40 — who are making a difference in their careers and communities. Timaura will be recognized at the 27th annual '40 Under 40' Awards on Thursday, October 8, at CBJ's virtual awards celebration. She will also be included in the '40 Under 40' Special Report of the CBJ, published in October.

Timaura's practice focuses primarily on defending health care providers in medical malpractice cases and before regulatory authorities. Since a young age, she recognized that lawyers were social engineers who possessed unique skills and abilities to effect change in the world. Timaura's desire to be a social engineer led her to pursue the practice of law, where she is proven to be a passionate lawyer for the clients she represents.
