## “Positioning Your Nonprofit for a Merger or Strategic Partnership”

There are a variety of factors that can drive a strategic partnership; a desire to expand upon the current mission or geographic footprint to meet a growing need or solve a community issue, the need to merge missions due to duplication or scarcity of resources, or the need to merge out of financial necessity. Join Tampa Partner, Ron Christaldi, and CEO of **Catalyst Consulting Services**, Michelle Turman, MA, CFRE, in their board workshop “Positioning Your Nonprofit for a Merger or Strategic Partnership.”
