CONTRACT ADMINISTRATION LUNCH & LEARN

DECEMBER 2ND | 11:30 AM – 1:00 PM

This presentation will provide an overview of the contractor's responsibilities for administration of the construction contract during the pre-construction, construction, and post-completion phases.

Shumaker will focus on key contractual provisions common amongst industry standard construction agreements, and how these provisions are treated under Florida law, including:

- Preconstruction Phase Services
- Concealed Conditions and Changes in the Work
- Processing Applications for Payment
- Subcontract Agreements and Flow Down Provisions
- Indemnification Obligations, Waivers of Consequential Damages and Liquidated Damages
- Warranty and Callback Obligations
