Super Lawyers, a Thomson Reuters business, is a rating service of outstanding lawyers from more than 70 practice areas who have attained a high degree of peer recognition and professional achievement. The annual selections are made using a patented multiphase process that includes a statewide survey of lawyers, an independent research evaluation of candidates and peer reviews by practice area. The result is a credible, comprehensive and diverse listing of exceptional attorneys.

Each year, no more than five percent of the lawyers in the state are selected by the research team at *Super Lawyers* to receive this honor.

The Rising Stars selection process is identical to the *Super Lawyers* process, with one exception: to be eligible, a candidate must be either 40 years old or younger, or in practice for 10 years or less.

The North Carolina lawyers who receive the highest point totals during this selection process are further recognized in North Carolina *Super Lawyers* Top Lists. Scott Stevenson represents Shumaker this year on the Top 100 North Carolina List.

Super Lawyers can be found online where lawyers can be searched by practice area and location.
