

OCTOBER 20, 2021 | EVENT

The Current Status of Patent Eligibility in the U.S. (35 U.S.C. Sect. 101)

Shumaker Partner and Intellectual Property and Technology National Service Line Leader, Doug Miller, will be a speaker at Meissner Bolte's IP-Days seminar, which will focus on "Global IP Perspective – Latest Developments and Hot Topics," providing perspectives and practices from the key worldwide jurisdictions. The program, on Thursday, September 30, 2021, will cover new developments and legal aspects on patents, designs and trademarks.

Doug's topic of discussion will focus on "The Current Status of Patent Eligibility in the U.S. (35 U.S.C. Sect. 101)."
