In the highly competitive world of transportation and logistics, it's vital to understand the current landscape of the industry. Hear from skilled professionals from the sponsoring firms as they present and share their insight on surrounding industry trends and innovation.

Join local transportation professionals to hear more about:

- Fleet safety topics
- Tax planning and credits for trucking companies & cybersecurity
- Insurance underwriting and program structure
- Nuclear verdicts, recent legal developments and risk reduction strategies

THURSDAY, OCTOBER 7 FROM 11:30 a.m. - 5:30 p.m.

(includes lunch and happy hour beverages at the conclusion)
