Brett Henson and Jade Davis co-authored an article in the ABA Forum on Construction Law's Publication, Under Construction – Summer 2021, Vol. 22, No. 4. The article provides an overview of the Early Dispute Resolution ("EDR") process and discusses how parties to construction projects might implement these procedures in resolving their disputes. Read the full article [here](#).

The ABA Forum on Construction Law is the leading source of high quality reference materials on the topics of most concern to busy construction lawyers, written by leading practitioners. Under Construction is published three times per year by the Forum, and offers practical information on the latest developments in the practice of construction law.
