**TAMPA, FL** – Shumaker is announcing that Partner W. Jan Pietruszka will become the firm's National Leader for the Labor, Employment and Benefits Service Line. With the pandemic, the traditional workplace is continuing to evolve in many ways, from vaccine mandates to increased remote positions, creating a need for increased legal services.

"At Shumaker, we strive to stay ahead of the curve and on top of legal trends," said Chairman Tom Dillon. "Jan has an extensive background in employment law and has proven success in helping businesses avoid costly liability."

The announcement comes as Shumaker continues to experience significant growth and momentum. Over the past year, Shumaker has added national service line leaders for the most quickly growing and in-demand areas of law including, real estate and development; health law; environmental and energy; intellectual property and technology; labor, employment and benefits; and wealth strategies.

"It is an honor to be at the forefront of helping Shumaker expand its reach nationally," Jan said. "With new technologies and changing workplace practices, understanding and staying on top of employment law is becoming even more valuable for clients."
