

Shaun T. Graff

ASSOCIATE

A true client advocate, Shaun is known for his pragmatic, efficient approach to achieving his clients' business goals. He is a member of Shumaker's Corporate, Tax and Transactions Service Line, where he focuses on mergers and acquisitions (M&A) and general corporate matters.

Shaun's M&A experience encompasses a broad range of corporate transactions, including sale and acquisition transactions, joint ventures, mergers, and growth equity investments. He also has a successful track record of guiding clients through corporate reorganizations and the day-to-day legal issues faced by businesses.

Prior to joining Shumaker, Shaun worked at a "Big Four" accounting firm, where he specialized in international tax and transactions. This experience, paired with his undergraduate background in finance and his time working at other law firms in Detroit and Tampa, gives him a unique perspective on legal issues from which his clients greatly benefit.

A native Michigander, Shaun loves the sunny Florida weather and spends as much time outside as possible, whether that is playing golf or going to the beach. He also enjoys hanging out with family and friends and following Detroit sports.
