

Brandy F. Marelli, R.N.

SENIOR NURSE PARALEGAL

Brandy is a nurse paralegal for the Medical Malpractice team whose responsibilities include interpreting medical records, translating medical/nursing terms, examining diagnoses and treatment plans for attorneys and clients, and defining applicable standards of care and deviations and adherences. She also creates timelines of important events, develops illustrations for demonstrative evidence, and conducts reviews of scientific literature research applicable to the case.

Brandy has extensive knowledge in the medical fields of hematology, oncology, surgery, trauma, endoscopy, and urology. She is certified by the American Heart Association Basic Life Support for Healthcare Providers in cardiopulmonary resuscitation and automated external defibrillator use.
