Our Top Lawyers 2025 List Features 613 Columbus-Area Attorneys Recommended by Their Peers
Columbus CEO's directory features more than 600 Top Lawyers who
are recommended by their legal industry peers in 59 practice areas.

Staff

If your business is in search of legal advice, the abundance of options can be overwhelming.

Fortunately, Columbus CEO can help. Again this year, we've partnered with Professional Research Services to present a directory of Top Lawyers who are highly recommended by their industry peers. This year, the list includes 613 attorneys organized by 59 areas of practice.

PRS, based in Troy, Michigan, conducts peer-review surveys of licensed professionals in multiple industries, including law, health care and real estate. PRS conducted an online survey of Central Ohio attorneys, who were asked to nominate local lawyers they view as the best in their area of practice.

Attorneys on this list were screened by PRS for licensing verification, as well as infractions through applicable boards, agencies and rating services. Columbus CEO was not involved in the selection process. Attorneys cannot pay to appear in Top Lawyers.

Listings are presented alphabetically by practice area, then attorney name. Information was supplied by PRS. Due to the size of the list, CEO did not independently verify practice areas or firm affiliations. Some attorneys are recognized in more than one area of practice.

For more information or to update an attorney listing, go to prscom.com, or contact PRS marketing research director Sofia Shevin at sshevin@prscom.com.
